---

**POUND (Jen)** - Sweat, sculpt and ROCK your body with a series of fun and effective POUND workouts that combine cardio and strength to tone your lower body, sculpt your upper body.

**Yoga Flow (De)** - A moderate paced vinyasa class welcomes all students to flow through poses with a focus on alignment and their breath. Intentional transitions and pose expressions/modifications are encouraged to allow students to make each pose their own. This class will help build and maintain flexibility, strength, and balance.

**ZUMBA® (Kaitlyn, Hannah)** – A fusion of Brazilian and Latin dance themes that create a dynamic and exciting, yet easy to follow class. It combines high energy and motivating music with unique moves and combinations to increase aerobic fitness. Toning focuses on strength training the arms, abs, and thighs! Open for fitness all levels.

**Spin / Spin & Tone (Dani, Mark, Lisa, Dave, Natalie, Bryon, Karilyn)** - Spin classes offer a non impact, highly effective way to build cardiovascular strength and endurance. Designed for all levels, these classes offer a challenging opportunity to get your heart pumping, burn serious calories, and leave you with a feeling of accomplishment and perhaps a desire to be out on the road!

**Spinnerval (Dani)** - This class will get your heart pumping! Participants will find themselves hopping on and off the bike to perform strength exercises between rounds of spin!

**Body Sculpt (Lisa)** - A muscle toning class utilizing weight bars, steppers, exercise bands & dumbbells to burn a ton of calories using weight training moves!

**Pilates (De, Helen)**- Multi-Level class in Pilates mat work. The concepts of alignment, breathing, and control will be learned, as well as the mat exercise. Pilates addresses the foundational muscles essential for fluidity of motion that are fundamental for all types of exercise and athletics.

**Strength & Conditioning (Dani, Eddie)** - A mix of strength moves incorporated with conditioning exercises is a sure way to get your heart rate up while conditioning and toning your muscles!

**Box N' Burn (Henry)** - Includes various striking and kicking combinations. It will give you an amazing core by engaging every muscle in your stomach with each punch and kick. It will tone your total body, burn calories, improve coordination/balance and increase your cardiovascular fitness. Bag work is included.

**Boot Camp (Dani, Julie, Miranda, Jeff)** - An interval training class that mixes calisthenics and body weight exercises with cardio and strength training. With a new workout every week, these classes are designed to push participants harder than they'd push themselves, and will always keep the body guessing!

**\*Classes are subject to change at any time. Please check our facebook page and website for up-to-date class offerings and time changes.**
